

WHAT COMPASSION CAN DO

All-Star Youth Choir

C G F C G F

C
In this story of compassion
F C
This is where we make our start
C
Helping animals in need
G
with an ever growing heart
C
As we step out and take action
F C
As we learn to play our part
Am G F
We can start to make a difference where we are
Am G C G F
And show animals compassion from our hearts
C
In this story of compassion
F C
We call dogs and cats our friends
C
And start to form the friendships
G
That we wish would never end
C
From first time that we meet them
F C
To the years we gladly spend

Am G F
 When we choose to go adopt a furry friend
Am G C
 We let our story of compassion now begin
F C
 We give animals new hope
G G
 And a shelter from the storm
F C
 Give assistance without judgment
Am G
 In a place that's safe and warm
Am G
 And with every act of care
F F
 And with everything we do
Am G F
 You'll always see our hearts shining through
C G F C G F
 That's what compassion can do .
C
 In this story of compassion
F C
 We honor those who give
C
 And who volunteer their time
G
 Helping animals to live
C
 It's more than we'd imagined
F C
 The compassion that's within
Am G F
 It's like a storybook that doesn't have to end
Am G C G F
 When we give compassion to these furry friends
